

For Grades 1-12
Dates: Fridays, January 15th, 29th, Feb 12th

Soldier Mountain Boot Camp is a three-day course designed to help skiers and boarders of all levels have fun and be confident on the slopes. Our instructors focus on improving each student's technique, awareness for others on the mountain, and love for their chosen sport. This camp is spread across three Fridays with a 1.5-hour group lesson each day. How students use their time outside of the lesson is up to them, but they are encouraged to practice their new skills and explore the mountain.

For students to maximize their learning time, please be waiting in the lodge and ready to ski no later than 9:00 am. Soldier Mountain will not provide transportation to and from the resort. We highly encourage carpooling and ridesharing.

Upon completing the Boot Camp, students will receive one coupon for a 25% discount on lift tickets for their whole family for a day of skiing! (Present coupon at the ticket window to redeem.)
